An exciting new Woking

St. Andrew's House is situated in West Street, close to the regenerated Jubilee Square in Woking town centre, just a 5 minute walk from the station.

The town centre has been extensively regenerated through an investment program, led by Woking Borough Council, providing improved public spaces, retail, hotel and restaurant amenities.

The Victoria Square development provides 14,500 sq m of new retail space including Marks and Spencer Food, over 400 new residential apartments, 380 parking spaces and two public plazas.

Located within the development is the landmark 189 bedroom Hilton Woking which will include senior and junior suites, a new lobby bar, all-day dining restaurant, stylish sky bar, conference facilities and an on-site café.

Soon, a green, pedestrian-friendly quarter centred on Goldsworth Road will transform the town centre with a comprehensive residential-led, mixed-use quarter.

Connected Woking

Woking is a key South East office location with exceptional road and rail connectivity. It has excellent road links, with the A3 approximately 5 miles to the south east, providing access towards central London to the north and Portsmouth to the south. Junction 10 of the M25 is approximately 7 miles to the east.

Woking Railway Station provides regular rail services to London Waterloo with a fastest journey time of 24 minutes and up to 15 trains per hour. Heathrow Airport is within approximately 13.5 miles of Woking and can be reached easily via the M25.
